

2023 WEATHEREYE
ESTATE SYRAH
Columbia Valley AVA

100% Syrah

Fermented in concrete with 20% whole cluster, entirely free-run juice, aged 18 months in once-used Atelier 500L French oak barrels scented with crushed blackberry, wild thyme, smoked meat, and sun-dried lavender layered with graphite, broken stone, and black-peppered salumi. Full-bodied and densely packed with lush dark fruit, sweet sculpted tannins, and vibrant acidity. A tactile sense of mineral dust and scorched herb underscores the structural backbone.

100 cases produced. Drink 2026-2036.
